

DOG AND CAT LICENSE APPLICATION

All dogs and cats in the City of Alexandria older than four months of age must be licensed with the City of Alexandria. A license can be issued only with certification stating that the dog or cat has been vaccinated against rabies by a licensed veterinarian. Annual (up to one year) or multi-year (up to three years) licenses may be purchased, depending upon the rabies expiration date (but in no case may a license expiration exceed the month/year in which the rabies vaccination expires).

Documentary proof of surgery must be presented for each neutered or spayed animal; e.g., a copy of the rabies vaccination certificate indicating that the animal has been spayed/neutered, or a copy of the veterinarian's bill for the surgery, provided the dog or cat is identified and/or described thereon. There is no charge for dogs that are trained and serve as guides for the seeing or hearing impaired.
