Animal Welfare League of Alexandria
Operating the Vola Lawson Animal Shelter

Foster Care Wish List

The League relies on a network of foster caregivers to assist animals with special needs and provide personal attention that may not be available at the shelter. Puppies and kittens that are too small to be adopted, as well as adult animals recovering from major medical procedures, all benefit from the foster care program. The League provides foster parents with all of the supplies they need to successfully care for their foster pets and you can add to the success of the program by donating the following items:
