ARE YOU SURE?

Mom may be hunting or not want to come around if people are present. Watch for her to come back for a few hours.

PRO TIP: Leave a ring of flour around the kittens. Check in a few hours if you see mom's pawprints.

If the kittens are friendly, utilize social media and your personal network to try and place them in homes.

Give us a call at 703-746-4774 for help finding them homes and getting them spayed/neutered.
